

GTA commission application form

Thank you for your interest in one of the GTA's commissions.

The following commissions were established by the GTA Board of Directors to assist staff in managing select aspects of the organization. The Board president appoints the chair for each of these commissions in March or April after new Board members have been seated. Membership is open to all GTA members in good standing. According to the GTA's bylaws, each commission may have as few as three (3) and as many as nine (9) members.

If you are interested in serving on any of these commissions, you can either submit this application form to the GTA Administrative office or contact the commission chair directly. Contact information is provided on each commission page online, or published monthly in the *Territory Times*.

If you choose to fill out this form, your form will be forwarded to the appropriate commission chair.
